Web-links

<http://www.dadalos.org/>

DADALOS (International UNESCO education server for civic peace and human rights education). Develop common assessment standards for EDC and Human Rights Education (HRE) in general to allow systematic comparison of evaluation and assessment findings. Focus in southeastern Europe: Bósnia, Bulgaria, Sérvia, Montenegro

http://myeurope.eun.org/eun.org2/eun/en/index_myeurope.cfm

myEUROPE is a network grouping of more than 1900 schools. It helps teachers raise their pupils' awareness of what it means to be a young citizen in Europe. myEUROPE is service from European Schoolnet: EDC ideas: In some European countries there is a day when students replace their teachers. The interim teachers learn to prepare the lessons and at the end of the day they report. This may be a benefit for both, teachers and students, to re-consider their roles.

The **International Association for the Evaluation of Educational Achievement (IEA)** is an independent, international consortium of national research institutions and governmental research agencies, with headquarters in Amsterdam. Its primary purpose is to conduct large-scale comparative studies of educational achievement with the aim of gaining more in-depth understanding of the effects of policies and practices within and across systems of education.

<http://www.headsup.org.uk/login.php>

HeadsUp.org.uk has been launched as a resource to encourage greater political awareness and participation by young people under the age of 18. It is a moderated online forum where students deliberate on topical issues that relate to work in Parliament. The forum is supported by relevant background information and reference material- for both young people and educators.

<http://www.teachingcitizenship.org.uk/>

The **Association for Citizenship Teaching (ACT)** is the professional subject association for those involved in citizenship education. The Association's main aim is the furtherance of mutual support, knowledge and good practice, skills and resources for the teaching and learning of Citizenship in schools and colleges. This site is a forum for sharing practical ideas and information.

<http://www.education.leeds.ac.uk/research/cchre/>

The **Centre for Citizenship and Human Rights Education (CCHRE)** was established in 2004 and is based within the School of Education. It serves as a focus for research, consultancy and postgraduate studies relating to citizenship and human rights education. It is particularly interested in issues of ethnic diversity and race equality, in children's rights and in policy-orientated research.
